Millbank:- "If you believe you can achieve."

Dear Parent/Carer,

In-service days

Just a reminder that the school will be closed to pupils on Monday 18th and Tuesday 19th September for in-service training. PSAs are receiving training on 'Loose parts' play and some are renewing their First Aid qualification. Teachers have a variety of training activities planned including writing, French and numeracy.

Sports for Champions

Millbank is participating in the 'Sports for Champions' initiative. This involves an athlete coming to school on 5th October to do a fitness circuit with pupils and then deliver an assembly about how they have worked hard to achieve in sport and the importance of a healthy lifestyle. The fitness circuit is a sponsored activity with the school receiving half of the sponsorship money. Pupils have received sponsor forms today and I have introduced the activity to them. There will be a further explanation at assembly next week when a DVD will be shown. You can find out more by visiting the 'Sports for Champions' website -

Parents' Evenings

We will issue appointment times next week. Pupils received a leaflet about the Book Fair last week. We always have a Book Fair at our Parents' evenings so that you have the opportunity to purchase a book for your child if you wish. The school receives generous commission from the Book Fairs which allows us to purchase extra literacy resources for the school.

Yours sincerely,
